INT. TENT - DAY

The sound of rain drops covering the outer tent fills the air. CLIFF (20s) nibbles on an energy bar reading a book titled GREAT HIKES.

The tent zipped flings down LUX (20s) burst inside.

LUX
Move it!

She shoves Cliff aside jumping in his sleeping bag.

CLIFF
What are you --

LUX
Food!

She grabs the bar out of his mouth and quickly scarfs it down. She warps herself tight in the sleeping bag. Cliff glances outside at the rain pouring. Lux's hair drips onto the blanket.

CLIFF
You going to shut the tent?

LUX
I don't know who you are?

Cliff leans over zipping the tent.

LUX (CONT'D)
What are you doing?

CLIFF
It's cold.

LUX
I know freezing.

CLIFF
Why are you here?

LUX
Umm ... It's cold.

CLIFF
Yeah so --

LUX
I needed to warm up.

CLIFF
In my tent?

Lux looks around.

LUX
It will do.

CLIFF
Thanks.

LUX
What's that?

She grabs his opened book, her hair dripping onto the pages.
Blots forming on the words.

CLIFF
Give me that.

He yanks it away, the pages unreadable.

CLIFF (CONT'D)
Great you ruined.

He tosses it on the ground.

CLIFF (CONT'D)
I wasn't going anyway.

LUX
I know something you can do.

Cliff looks at Lux.

CLIFF
What?

LUX
Get me a towel.

Cliff rolls his eyes grabbing a towel off the floor tossing
it to her.

LUX (CONT'D)
This is wetter then me.

CLIFF
It's raining.

LUX
Great.

CLIFF

Yeah, I think it's time you leave.

LUX

I'm not going till it stops.

CLIFF

What stops?

LUX

The rain.

CLIFF

It's not going to stop.

LUX

I'm not going back out there.

CLIFF

Where's your tent?

LUX

Do you think I'd be here if I knew that?

CLIFF

Perfect.

Lux looks around the tent.

LUX

Do you want to play twenty questions?

CLIFF

No.

LUX

I'll start. Hint I'm famous.

CLIFF

Why me?
